Subject: Sites for Sept update

BJ --

for Region 6, I have the following new sites on my list for QA:

-- Norphlet Chemical Company, AK
-- Wilcox/Lorraine, OK

Can you please verify w/ Brenda that she does still intend to submit these sites for QA in April (due to us April 9)?

Also, pls ask if there are any other previously tiered sites that the Region currently wants on the Sept update.

Thanks,
Leslie
